

Vora Technology Park Incubator Wing Office Space

Congratulations on your entrepreneurial venture! Right now, every dollar counts for you. Compound that with your time investment to research the best prices on fax machines, copiers, video conferencing equipment, and other necessary office amenities? And don't forget that important business conference with several potential customers. Where can you hold a business meeting that communicates a technology-based atmosphere to your clients? Take advantage of the Vora Technology Park Incubator office space.

Rent for full-service office space includes the following:

- One private office
 - 12 x 12 office (144 square feet)
- Utilities: gas, electric, water, sewage, HVAC
- Use of conference room
- Use of video conferencing
- Use of copier
- Use of fax machine
- Messages and mail service
- Free, ample and safe parking including handicap accessibility
- Cleaning and janitorial service
- Incubator kitchenette (coffee maker, microwave, refrigerator)

We offer a short-term lease requiring a one year contract.
